## About Our Sizing - Please Read This First

Men's jerseys are available in "race cut" and "club cut". [Click here](#) for a more detailed explanation of each.

All our garments are based on our jerseys and short patterns. Keep in mind that outer layer garments like vests and jackets are designed to be worn over other garments so when in doubt order a size up. For skinsuits and tri suits, we suggest ordering the same size as your short. There are no size issues for our arm/knee/leg warmers and gloves so order the same size you normally wear.

If you have already begun the ordering process and have submitted a deposit we suggest you **request sizing samples** to ensure a proper fit. Remember, for custom orders there are no exchanges so take the time to make sure you are ordering the size you need. Email your assigned Champion System Sales Rep to request a size sample order form.
